## YAZARLAR

A light gray rounded rectangular form is positioned in the lower right quadrant. At the top left corner of the form is a red circular icon containing a white minus sign. Below this icon is a white rounded rectangular input field. The form is separated from the rest of the page by a horizontal dashed line.Three stacked, light gray rectangular blocks are located at the bottom right of the page. The top block is the largest, followed by a medium-sized block, and a thin block at the bottom. They are separated by thin horizontal lines.
