## YAZARLAR

A form structure is located in the bottom right corner of the page. It consists of several elements:

- A red circular button with a white minus sign, positioned at the top left of the form.
- A horizontal dashed line below the button.
- A rounded rectangular search bar with a white background and a gray border, positioned below the dashed line.
- A horizontal dashed line below the search bar.
- A solid horizontal line below the second dashed line.
- A solid horizontal line below the solid line.
- A solid horizontal line below the second solid line.
